

Class Description:

Sweet Suite of Earrings

Style yourself a group of dangly earrings that feature great shapes, dynamic movement and splashy color! The Sunspot, Boa, ChaCha and Edison Drop integrate wirework with chain, jump rings and findings. Shape, wind, wrap and coil with several different gauges of wire. Making fine silver ear wires and headpins will be discussed, along with finishing, polishing and design variations.

Intermediate Level: Students must be able to wire wrap and properly open and close jump rings.

Class Running Time: 6 hours
